Article published on March 28th 2012 | Advertising

The smoothness ease, with which one can read, depends greatly on what type of learning reading habit one had in the formative years.sessions they underwent as children. Reading habits improve a lot when children know how to go through dolch sight wordsDolch sight words. Some of these words are found in almost everything they read. The readers will face no difficulty in reading, if they are previously familiar with all the words. These Dolch words are also known as service words which are very much necessary for understanding the sentences. The students, who have been learning English as a second language, can boost up their learning skills when they go through these basic service words. Most of the tenses and the verbs are among the Dolch words. These words are greatly helpful to teachers and parents, who help the children, acquire the words which they will frequently encounter in their life.

Developed by Edward. W. Dolch, these words are some of the most frequently used words in the childrenâ€™s books. Any reader who knows the dolch sight wordsDolch sight words from beforehand will be able to recognize the majority of the words in a typical context. This visionary also developed a list of 95 commonly used nouns. The Dolch sight words should be recognized immediately on sight for reading to progress smoothly. Some of these words cannot be pronounced by simply observing rules or cannot be represented by pictures. Some of the words are do, am, for, as, so, be etc. Generally it is recommended that before children finish first grade, the children should be easily able to identify the Dolch words and the nouns. The list is capable of representing the frequency of use in books on different grade levels. The nouns are not listed on the basis of grade level. Each list has to be read and learnt very carefully and if a child is capable of completing a certain list in a particular grade, he should advance to the next one.
