Travel Smartly to Taipei

by Aron Howard

Article published on April 3rd 2012 | Destinations

Popular by its name, Taiwan, Taipei is the capital of the Republic of China. Nestled amidst the Central Mountains and islandâ€™s northern parts, the city is vibrant with joie de vivre. After Kaohsiung, Taichung and New Taipei, Taipei is considered to be the fourth largest governmental area in the city. It encompasses main Taipei City and Keeling that surrounds the city since it is the biggest urban area of Taipei. The city is renowned for the strong and rich cultural, natural, financial and activities related to the government. Visitors coming from all over the world are attracted to the many places or attraction in the city. It is not difficult to reach here as many cheap flights to Taipei are available these days. Making it convenient for the people to reach here, many airlines has direct flights to Taipei. Visitors coming here enjoy the magnificent attractions of the place.

Before travelling to this unique city, one should keep few things in mind. Firstly, the bookings must be made well in advance. Nowadays, best airline tickets are available for the city. Secondly, hotel accommodation must be booked prior to departure for the city. This step will ensure a comfortable, stress free and enjoyable stay at the destination.

There are many places to see in this city. The National Museum is one of the most prominent tourist attractions of the place. The museum is known to have an impressive collection of artifacts and chronological antiquities from China. Because of all these attractions, the city has become famous as one of Asiaâ€™s finest destinations for exciting vacations. Since several flights are available for the city, one can plan a vacation here at any time of the year.

The city is popular as one of the safest Asian capitals for visitors coming here for a vacation. The crime rate is low, and hotels and public places maintain high standards of hygiene. Public transportation system in the city is excellent, and money exchange is not a problem at all.

The city enjoys a semi-tropical climate. For most of the year, the climate is hot and humid. The best time to visit this unique city is during November through February season when it is comparatively dry and the temperatures skirts around the 20 degree Celsius. One may also visit in the month of February to April when the climate is not too terrible. Summers should be avoided as this time is hot, uncomfortable and muggy. Typhoon season must also be avoided that falls between June and October. The months of August and September experiences extreme windy and wet weather. This time is not suitable for exploring the city.

Cheap tickets to Taipei are easily available these days. This is the reason; the number of visitors to the city is gradually increasing.
