Luxurious Life at Thane and Mumbai... by Sameer Itkyal

Article published on February 14th 2012 | Finance

Thane city is a very progressive city that is well governed with good infrastructure, ecofriendly, cost effective and culturally advanced. Thane has recently gained prominence with respect to destinations for residence in the Mumbai suburban belt. Till some time back, Thane was less than accessible for most. A well-organized civic facilities and good infrastructure are some of the factors that make Thane a good realty destination around Mumbai. The real estate in Thane is developing at a fast pace as a good number of residential and commercial properties are being constructed here. Though it started out as an industrial hub and is known as pretty much this even today, it is interesting to note the gradual shift towards residential that is taking place.

With numerous luxurious realty projects coming in the city, commercial buyers looking to buy, lease or invest in categories such as residential, luxury homes and villas, commercial office spaces, IT parks. This has resulted in soaring of property prices in the city and thus making a realty hub.

Some of the eminent developers in Thane are Lodha Developers, Kalpataru, Dosti and Vijay Group. When it comes to realty in Thane, Vijay Group has emerged as the most reputed and trustworthy developers. Vijay Group, a brand name in the real estate industry offering excellent quality, good service, price and superior value and good will.
