Get your wholesale print job done by the experts by [Warner](#)

Article published on May 17th 2012 | [Advertising](#)

As a sales person you know how much competition one has to meet with in the market. There is ruthless competition in winning over every single client and generating business. There is tremendous pressure to meet the targets. Now that you are in a senior position you want to guide your sales force with every little tips that will help them make the right kind of first impression on the prospective customers. You want them to portray an extremely professional attitude and fulfill the commitments.

When you coach your sales team and give them simple pointers on closing a sale you always emphasize the need of looking good and impressive. Looks and dressing make the first impact and if the prospective client is impressed the way the sales person looks and dressed, half the battle is won thereof. Communication both written and verbal also holds key to making the first impression.

You probably want your sales people to carry a well printed business card and a brochure. Now if you want a professional wholesale printing company who can comply with your requirements and standard then try out Americas Print House.

A leader in the wholesale color printing domain, this online Printing Service provider has a proven track record of excellence and has set its own quality benchmarks.

This company deals with a number of products like the postcards, letterheads, business cards, sales sheet, brochures, envelopes, presentation folders, rack cards, bookmarks, newsletters and many more items. So you can entrust your wholesale printing job of the business cards or the brochures for astounding results. The best creative minds are at work at the Americas Print House and the resulting printed product will not only impress you but also help you in making the right impression on your prospective as well as the existing customers.

I mean who would not like to receive a stylishly designed poster or a calendar to keep in the house. Now if you gift one such item to your existing customer he will definitely come back to your company again and again for different requirements. At least I would definitely. If you are running a restaurant business, get the team at the Americas print House to create high quality customized menu card for your customers to select the menu options.

The brochures or the ICE material are designed with great care and expertise at the Americas Print House. For enhanced quality of the brochure, this printing service provider adds semi gloss aqueous coating on the both side of the color brochures. This value addition prolongs the life of the brochure by saving it from the smudges, scratches, fingerprints and dirt. So without having to spend much you get expensive looking, high quality brochure ready to create the first impression on your clients and take the competition head on.

This printing company will give you heavy discounts on your Wholesale printing job. All you need to do is open a wholesale account with them by logging onto the website. This California based printing house is also into all types of graphic designing and web development and serves the customers with best print products at industry best prices.

Anyone be it the professionals, freelancers, print brokers or resellers can avail of the wholesale prices on offer.
