Leimo - the Perfect Valentines Gift for Your Special Someone by [Nathalia Perske](#)

Article published on February 21st 2012 | [Alternative Medicine](#)

Valentine's Day is a week away and we're guessing you are thinking of an ideal gift for your special someone.

If you want something extra special, then the Leimo hair regrowth system is the perfect gift you can give to your husband or boyfriend.

The Leimo hair regrowth system is not only ideal to help your husband or boyfriend prevent his hair loss condition from worsening, but it can also help create thicker, fuller and healthier hair.

So, this season of love, make sure to demonstrate your affection by giving your husband or boyfriend the Leimo hair loss treatment to help him achieve better and healthier hair regrowth. What are you waiting for? Grab the Leimo hair loss treatment now and help your special someone regain the former glory of his hair.

Leimo Personal Hair Laser Starter Kit Special Deal

To celebrate Valentine's Day, Leimo International is offering a special deal when you purchase the Leimo Personal Hair Laser Starter Kit today!

This special deal entitles all Australian residents to buy the Leimo Personal Hair Laser Starter Kit at a lower cost. By calling Leimo International's direct hotline number 1800 280 250, you can get your very own Leimo hair regrowth system at a lesser price of \$AU 895.00 from its original price of \$AU 1,195.00

The Leimo Personal Hair Laser Starter Kit is created to help stop the further onslaught of DHT-induced hair loss and hair thinning conditions. With this suite of hair loss products, people who are experiencing this condition are given a wonderful opportunity to keep a healthy head of hair at the same time experience hair regrowth through its cutting-edge laser hair therapy (Leimo Personal Hair Laser) and organic-based hair loss treatment (Leimo wet products).

The Leimo hair regrowth system helps create thicker, fuller and healthier hair in three (3) ways.

#1 Cleanse and Condition the Scalp

The Leimo Bio Cleansing Shampoo and Leimo Thickening Conditioner help cleanse, nourish and condition the scalp and the hair follicles. On the other hand, the Leimo Scalp & Body Scrub helps exfoliate and deep cleanse the scalp to create an excellent environment for optimum hair regrowth.

#2 Nourish and Feed the Hair Follicles

The Leimo Scalp Therapy Day Treatment and the Leimo Scalp Serum Night Treatment work as vasodilators that inhibit the formation of DHT in the scalp, thereby preventing the onslaught of hair loss.

#3 Stimulate Hair Regrowth with Laser Therapy

The Leimo Personal Hair Laser delivers low level laser therapy (LLLT) and light emitting diode therapy (LEDT) to stimulate the hair follicles and promote hair regrowth. It is also included on the

Australian Register of Therapeutic Goods as a class-2a medical device for hair loss treatment and hair growth stimulation.
