Scotlandâ€™s busiest airport, Edinburgh Airport handles millions of passengers each year. From the airport, visitors can access many popular locations in and around Edinburgh by car. These include, for instance, Edinburgh Castle (which is perched atop an extinct volcanic crag), Princes Street Gardens, the Old Town to the south and Princes Street and the New Town to the north of Edinburgh. There is also a financial district, including insurance and banking buildings, together with the Edinburgh International Conference Centre (EICC). The port of Edinburgh is called Leitch and is also easily accessible from the airport by car. Additional towns which attract many visitors from the airport Dunfermline, Bonnyrigg, Dalkeith, Loanhead, Broxburn, Newtongrange, Penicuik and Livingston.

To ensure you get the best deal on a hire car that can access all of these locations it is important to avoid car hire service firms with excessive charges. Choosing car hire Edinburgh airport services allows to get one of the best airport car hire services for a great deal at low cost.
