Chevrolet Spark: a Sparkling encounter by [Siddharth Bharadwaj](#)

Article published on June 22nd 2012 | [Auto](#)

In 2010, General Motors returned to the Indian auto market with its Spark to make a splash in the rapidly growing Indian auto market. Based on the Daewoo Matiz platform, Chevrolet Spark did manage to cement company's place in this part of the world. Aggressive pricing and alluring design were the main reasons for its impressive success. Despite being compact, Spark is a no nonsense car with decent space and comfort in its cabin.

Chevrolet Spark boasts of classy and elegant exteriors with a dash of aerodynamics visible in the small car. Vibrant aerodynamic style enables the vehicle to deliver good fuel economy and catches the eye balls with its sleek & contemporary styling. The quotation styled headlamps present Spark with unique looks and are a treat to watch whereas the Jewel effect tail lamps with turn indicators placed in between are able leave a mark on the onlookers. And working as an icing on the cake is satin silver roof rails which accentuate the sporty looks of the Chevy Spark and also Chevrolet Spark Price is a affordable.

Not only the exteriors are worth watching, interiors of Chevy are equally adorable thanks to engineers which have optimally utilized the inner space. Cabin looks spacious and the seats are very comfortable with neatly appointed beige upholstery. Spark interiors have sufficient head and leg room for both the rows and the beige upholstery imparts a feeling of freshness and presence of lot of cubby holes justifies the practicality of this small car.

Under the small hood of Chevy Spark lies a refined 995 cc SOHC Sequential Electronic Fuel Injection petrol engine which is capable of churning out top power of 63 bhp and max torque of 90.3 Nm at 4200 rpm. Available in eight different variants, Spark engine is linked to five speed manual transmission. Spark is able to return with overall mileage figures of around 12 kmpl – 16 kmpl.

Despite the small size, Chevy Spark embraces plenty of features like Headlight Leveler, Low fuel warning lamp, Glove Box, Passenger side sun visor with vanity mirror, Double folding rear seat, 2-Din Music System, Rear

defogger, Cup Holders, Power Windows, Remote tailgate release, Bottle holder in front doors, Remote fuel filler, Front room lamp, 60:40 split and many more. Safety has also been equally given importance in the small vehicle and it comprises of X-PRO Safety System and ABS (Antilock Brake System), High-strength steel built, Dual airbags, etc.

Chevrolet Spark is up for grabs in a price range of Rs 3.0 lakh – Rs 4.31 lakh (Ex-showroom approximate)
