Chevrolet Spark â€“ Sparkling Small Car [Jameskenrich](#)

Article published on December 12th 2011 | [Auto](#)

At this current situation, petrol version of the Chevrolet Spark is available in only one engine option and that is a 1.0 Liter, 8 V, SOHC Smart-Tec engine in which the mill is included with many creative technologies which involves Dual Distributor Less Ignition System, Advanced Optical Sensor, Sequential MPFI and Motorized Throttle Intake System. The stuff that increases the power of engine is Smart-Tec power and the torque which results in improved performance and quicker pick-up. It also guarantees that engine operation will be smooth, fuel efficient, noiseless, powerful, maintenance free and reliable. This car is available in the market with the petrol engine of 995 cc. This engine gives competition to Hyundai Santro and Zen Estilo. The mileage of this car is 16.9kpl with speed of 156 km/hr.

It is built on wheelbase of 5mm longer and measures almost 3495mm in length but the advanced car has sharper styling. Instead of smooth and rounded nose there is appropriate bonnet v, tiny slit for intake of intake and pointy headlights. As it is a small car its build quality is quite good and panel gaps are made tight. When you move on the inner side the centrally mounted instrument not only comforts you but also make you feel proud on the dashboard.

The interiors of the car are unusual and make it special. You will get an enough storage space inside the cabin. On the lower side of the dashboard there is pair of shelves which helps in holding small bits and pockets of front door are sufficient enough to hold a bottle in it. It has sound insulating mat in the middle of engine compartment whereas, dashboard is helpful in enhancing the effect of sound insulating. It has amazing standard and luxurious features. The price of the Chevrolet spark is around 31.19 to 4.24 lac.

Chevrolet spark 800 is one of the type of Chevrolet spark and comes with well equipped 796cc, and petrol engine of 3-cylinder. This engine is able to deliver great power of 49 bhp with peak torque of 68.6 Nm at 4600 rpm. The top speed of the car is 142 km/liter. The length of this car is about 3495mm and has a width of 1495mm and has height of 1518mm. The capacity of fuel tank is 35 liters. It also comes with ventilated and rear disk brakes having 5 manual gears. This car gives you comfort.

Chevrolet Spark CNG is the stylish and latest car launched by Chevrolet and in the markets of India. Among all the other cars available in the market, Chevrolet Spark is the better option.
