New Piaggio Vespa LX 125 in the market to give you a fun ride by [Wilson Roy](#)

Article published on June 19th 2012 | [Auto](#)

Automobile' are those few things or products in the market which provides you an impression of being independent and free, as if you are a proud owner of a nice automobile be it a two wheeler or four wheeler you can always move around as per you wish at any time of the day, but at the same time if you are not having the one of your self then you have to look or wait for the various public convene each time you are out. Even before moving out anywhere you have to plan according to the various publicity convene timings.

These are the various reasons because of which the use and the sale of these various automobiles which are there in the country have increased in last few years, but even though the various products in the list and their sale have increased, there are still very few products in the market which can be counted under the category of automobiles for women.

But you don't have to worry any more as to help you there are many companies which are working hard so that they can provide some of the best products to all the women of the world. In fact recently a new product has come into the market which is known as Piaggio Vespa LX 12, and for the very basic information let me tell you that this is the very first product which has been independently launched under the Vespa brand name in India.

Starting with few of the very basic details of the same we will find that this new product, Piaggio Vespa LX 125 Price has been decided some where near around sixty seven thousand in the country, and looking at the price of other products in the market we can say that, that's the amount which can be easily afforded by most of the users of the same.

If you are one of those who love to be in style no matter what you are using then you'll be happy to know that this new product by the company has been launched in the market in six different colors which means you have a huge range of colors to choose from. The colors which can be found in the market are Monte Bianco, Midnight Blue, Giallo Lime, Rosso Dragon, Rosso Chianti and Nero Volcano. All in all we can say that while bringing this new product in the market which has been named as Piaggio LX 12, the manufacturer of the same has taken care of each and every basic detail.
