Reviewing Five 2012 Subaru Models Dealers Sell by [Sebastian Gaydos](#)

Article published on March 5th 2012 | [Auto](#)

Canadians first got exposed to Subaru vehicles in 1976. Since then, over 100 Subaru dealers are now operating in the country to provide quality products and services to locals and visitors alike. If you're planning to purchase a vehicle under this brand, here are some of the 2012 models most Subaru dealers offer today.

Forester

The 2012 Subaru Forester SUV has a 2.5-liter 170 horsepower engine with five-speed manual transmission and four-wheel anti-lock brakes. This all-wheel-drive vehicle has a four-wheel independent suspension, power steering, and speed-sensing steering that deliver optimum handling. It also features dual front side impact airbags, electronic stability, and anti-whiplash front head restraints for additional security. Drivers can enjoy a remote keyless entry, tilt steering wheel, and an overhead console for convenience.

Impreza

The all-wheel drive 2012 Subaru Impreza Hatchback includes a 2.0-liter 148 horsepower engine with five-speed manual transmission and a fuel tank capacity of 55 liters. Car owners can enjoy an AM/FM radio, MP3 decoder, and a radio data system for entertainment. The 2012 Subaru Impreza Sedan, on the other hand, showcases variably intermittent wipers, front reading lights, and outside temperature display as lighting, visibility, and instrumentation. Buying these may involve a basic warranty of 36 months or 60,000 kilometers.

Outback

If you love the outdoors, the 2012 Subaru Outback Wagon will suit your weekly travel needs. This vehicle's 2.5-liter 170 horsepower engine has a six-speed transmission with overdrive, providing stability when battling those rough mountain roads. Its leather upholstery, navigation system, and telescoping steering wheel deliver comfort and convenience for passengers. This wagon also features front fog lights, compass, and a trip computer for your safety during an outdoor adventure.

Tribeca

The 2012 Subaru Tribeca is another ideal vehicle for those who love camping, fishing, and hiking trips. This all-wheel-drive SUV showcases off-road capabilities, such as a 17-degree approach angle, an 8.3-inch ground clearance, and a 19-degree ramp break-over angle. Certified Subaru dealers in Edmonton recommend the Tribeca for its brake assist, traction control, occupant sensing airbag, and other essential safety and security features an SUV should have.

WRX

Trusted dealers that sell Subaru Edmonton locals favor also feature various 2012 Subaru WRX models in their showroom. The WRX and WRX STI sedan and hatchback each has different comfort, convenience, and safety specifications that deliver a quality driving experience for owners. These top-of-the-line models can come with powertrain, corrosion perforation, and roadside assistance warranties.

If you're interested in these 2012 models, you can visit Subaru dealers in Edmonton and discuss the

price and other financing terms. You can also check out subaru.com or subaru.ca to learn more about these vehicles.
