The great quality Hero Honda Splendor Plus by [Wilson Singh](#)

Article published on August 7th 2012 | [Auto](#)

The Hero Honda Splendor Plus, just like any other bike from Hero Honda, is one bike that you will love to get on to, because it has a style of its own and power that can help you to ride with comfort and control. The OHC engine and 4 stroke cylinder provide it with a power that you will surely appreciate in your bike. The 4 speed gear box and multi plate wet clutch are two of the most powerful aspects of this bike to provide you with complete control of the bike when you are driving it in traffic.

If you are looking for the Hero Honda Splendor Plus price in India then you will be happy to know that this bike costs reasonable compared to the quality and service that it brings to you. The average cost of it is Rs. 42,000 plus and it varies depending on the city you are buying it from. This easy maintenance bike is known for the high mileage that it provides to you. This is one of the best road bikes in India because it has the ability to save fuel and the design of this bike has been developed over the previous one of this series to make it look more stylish.

If looks matter to you, when it comes to your bike, then this bike will surely interest you. It comes in eight varieties of vibrant colors, which include stripes too. The sleek body of this bike makes it really very stylish looking and provides it with a class that will make you look trendy when riding it. The bike also has graphics on it so that it looks more sporty and attractive. The indicator panel looks attractive and is very well arranged. The front fuel tank enhances the elegance of the bike with the alloy wheels and silencer being striking too.

The affordability of bikes price in India is one thing that the riders enjoy the most about the bikes from Hero Honda, and this bike provides all the great features of it for the same. The newly installed cooling technology of this bike cools down the engine really fast. The 4 speed transmission is, without any doubt, a dream come true for the bike riders who use their bikes for transportation regularly. It comes with only the kick start technique but the other features are good enough for you to even notice that and the bike provides you a smooth ride on every road.

The comfort of this bike is another thing that you will love about it. You will enjoy the jerk free ride with this bike on uneven roads too. Find out the Hero Honda bikes price online before buying.
