Revered as cultural melting pot and dotted with legendary wonders of architecture, Washington DC is a place to witness the glory of America. Here are some of the best bets that mirror the extraordinary grandeur of this entrancing capital of the utterly incredible country on the earth.

Mount Vernon Estate

Immaculately sitting besides the serene Potomac River in Mount Vernon, Virginia, Mount Vernon Estate, a 500-acre estate of George Washington and his family, boasts a spectacular 14-room mansion and is furnished with artefacts dating from 1740's. Flaunting the remarkable panorama of the river, the legendary estate is a must-see attraction for every traveller grabbing air tickets to Washington. Visitors can take a stroll at the striking mansion and feast eyes on magnificent interiors. The recently added museum makes for an apt launch pad for peeking into the life of first president of America and his family.

U. S. Capitol

A visit to US Capitol truly pays off for the money spent on airline tickets to Washington. One of the notable historic buildings in the city, U.S. Capitol is home to the House, Senate Office Building, U.S. Botanic Garden, the Library of Congress buildings, the Supreme Court Building and the Capitol Grounds. The splendid building epitomizes the neoclassical architecture of the 19th century and is renowned as a prominent landmark of the country.

White House

Another enthralling, architectural wonder that shines on the itinerary of almost every holidaymaker booking air tickets to Washington, White House is the oldest public edifice in the city. The outstanding building has been the home of every president except

George Washington. The President formally receives guests at the Blue Room, the centre of the State Floor of the White House and all the receptions are held in the East Room. The State Dining Room, which can seat over 140 guests, is used for holding formal dinners with visiting heads of state. White House tours are limited to group of 10 or more. It is imperative for international visitors to contact their embassy in DC for enquiring about the White House tours.

U.S. Treasury Building

The oldest departmental building in Washington, U.S. Treasury Building is the headquarter of United States Department of the Treasury. The awe-inspiring building has been declared as the National Historic Landmark of Washington and flaunts an implausible architecture. The sheer brilliance of the building's design and the striking east colonnade running the length have always remain in highlight. Historical buffs travelling on tickets to Washington can tour restored spaces such as the Burglar-Proof Vault and the marble Cash Room and the Secretary of the Treasury during the Civil War and the temporary office. No wonder, spending on one's cheap flights tickets to Washington, D.C. is definitely money well spent.

National Gallery of Art

Located in Constitution Avenue NW, Washington DC, the National Gallery of Art is a striking

architectural wonder in the city. The gallery exhibiting an intriguing collection of fascinating paintings, drawings, sculptures, medals and photographs is a true paradise for historical enthusiasts grabbing cheap airline tickets to the city.
