Kerala Houseboat Tours and Munnar Holidays by [Yameen Khan](#)

Article published on December 1st 2011 | [Boating](#)

Kerala is one of the unique travel destinations in India. Its breathtaking beauty, tranquil atmosphere, charming natural surrounding and the pleasant cool climatic conditions make Kerala a paradise for nature lovers. The state Kerala has so many wonderful sightseeing spots and attractions and among those many backwaters are considered to be the finest one.

Gifted with the pure ambience, tranquil atmosphere and greenery all around, the houseboat cruise over the picturesque backwater gives every individual a unique experience. Houseboats are means to let the tourists enjoy the sheer beauty of the nature, fascinating backwater journey as well as comfortable stay amidst the nature in the luxury and comfort of the houseboat.

Well talking about the history of the houseboat it's more interesting and with the time it has change a lot too. In earlier days it used to be the medium of transportation goods from the town to cities and vice versa. Most of the houseboats were during those days ware loaded with paddy and many other essential commodities which were shipped from cities to the towns. But along with the passage of time, the modern development wiped out the scenic of the houseboats from the backwater. But again they slowly came back with new feature to entertain the tourists and offer them the cruise of lifetime. Since then the houseboat tourism of Kerala have never look back. Today the houseboat and the backwater tourism is the largest contributor to the tourism of the state helping immensely in the economical development.

Houseboats come into various categories and to enjoy the cruise over the scenic backwater one has to avail the booking of the houseboat much in advance. Various categories of Kettuvallam or the houseboats are available depending according to the categories and the services available. Kerala luxury houseboat is the premier choice of most of the tourists and the honeymooners. More especially almost all the Kettuvallam are outfitted with modern facilities and appliances, luxurious rooms, attached bath, sliding glass window and more of all spacious sun deck from where one can enjoy the tempting and charming beauty of the nature. Sun deck of the houseboat offers tourist to capture the heavenly view of the nature and the tempting greenery that refreshes your mood and tiring soul, mind and body.

Well there are many wonderful and picturesque backwaters where the luxury and comfort of the houseboat can be enjoyed with immense pleasure and joy. Some of the ideal destinations for backwater cruise are Kumarakom houseboats, Kasargod, Kollam, Kuttanad and Alleppey. So come and experience the bliss of the nature taking pleasure of the luxury and comfort of the houseboats in Kerala, India.

Beside backwater tours one can also enjoy tour to Munnar a picturesque hill station known for its breathtaking natural beauty. On Munnar tour one can explore some of the picturesque sightseeing spots and the heavenly atmosphere which has rightly made Munnar to be called Kashmir of South India.

So plan your houseboats and Munnar tour and treasure the lifetime experience to relish in the heavenly tour for lifetime.
