Add value to your property with a superb extension using the very best architectural service London at Just Extend Your House Ltd by [James Blee](#)

Article published on July 27th 2012 | [Business](#)

We are all well aware that the economy in the UK is at an all time low, credit and disposable income is hard to come by and very limited therefore homeowners have to be very careful and work harder than ever before to improve the value of their property. Lots of people are choosing to improve and invest in their current property rather than buy a new one, depending on the chosen improvements or extension it will maximise the enjoyment of the home for now and add value for the future. We have a wealth of experience in the area of property extensions and are confident that we can provide a professional service to suit all your criteria.

Just Extend your House Ltd, with offices in Putney, South West London have been servicing clients all over South and West London for many years with our professional attitude wealth of experience coupled with our creative flair we are widely regarded as amongst the very best for architectural design London. Our Architectural Services London boast a team of highly trained professionals who have a creative passion that is second to none, they are not afraid to think outside of the box to get the job done. They aim to build a rapport with all clients so that the ideal architectural design can be delivered, they liaise with you every step of the way on all aspects including space planning turning your vision into a reality, helped by the use of CAD (computer aided design systems).

Our architectural services London are wide and varied covering residential projects including, loft conversions, basement conversions, single, double and wrap around extensions. We will take care of your building control calculations and drawings and even liaise with local authorities on your behalf.

Whatever your project for premiere architectural design London contact us online for advise, support and further information.
