Some of the best online offers on reputed brands are available on bagittoday.com. BagitToday has redefined the concept of discounts and offers. Some of the most amazing discounts and offers are available on reputed and branded items.

For shopping through the website you need to become a member. Membership is free but new member can only be invited through other existing members. If you have not been invited, there is an option for your email address to be put on the waiting list for membership purpose. All hot selling offers are immediately put into the home page for immediate attention.

BagitToday endeavors to bring out the best products for the customers. It has made some exclusive partnerships with reputed brands in the market so as to provide huge discounts and other offers. One can easily compare and come to the conclusion that the offers available here are not present in any of the other shopping websites. This makes it truly special and unique.

Another important point is that each sale lasts only for a limited time duration. The huge demand for exclusive products and offers ensures that the any offer is bagged within no time by the members. With world class products you get style as well as quality. All quality checks are made by the website itself. In addition to that, the entire responsibility of product quality is shouldered by the provider. Thus you get 100% authentic products that match up to your standards.

Check out the website and find a host of products in all categories. The latest designs in apparels, sunglasses, shoes etc. are available from the best brands in the market. A systematic and methodological classification makes it very easy for members to select the best products. A dedicated round the clock BagitToday Customer Care team has been established to assist the customers. For urgent queries contact numbers are provided.

You can also mail in your issues through the contact form provided on the website. The form itself is classified into various categories in which you may have faced issues. This makes it very easy to lodge a BagitToday complaint. There is an effective shipping policy followed. If the product is damaged or if you are not satisfied with the delivered product, it can be returned within 60 days for getting a full refund. The round the clock functioning of customer care executives ensures that any complaint against BagitToday is resolved within the shortest possible time.

In many cases customer issues are solved are within the same working day. Another advantage of membership is that all your orders and related transactions are very well recorded in the member's account. This is extremely useful for future reference. For any issues these references can be provided to the helpdesk, which makes it very easy to track down and resolve the problems.

Members at BagitToday are given the option of inviting their friends and contacts. For every accepted invitation the member gets Rs5 credit into his or her account. In addition to that whenever the referred member makes the first purchase, Rs 250 credit is provided to the referring member's account.
