Why schools are essential in a child's life. We all know answer of this question very well. In today's fast life only a good school can nurture your child's complete academic and moral life. In modern times there is huge range of schools available in metro cities. Each type of school has its own qualities.

Kolkata is the capital of west Bengal which is one of the most favorite places for getting world class education. English is the first medium of interaction and for covering the syllabus for best schools in Kolkata. They are following the CBSE, ICSE boards of education to cover the syllabus in their study curriculum. Thus it depends upon the parent's choice for which boards they prefer most. These schools are ranking best in India for producing best students in curricular and the school's annual academic results.

There is various government, missionaries and private sector based schools are running in Kolkata. In extra-curricular activities Drawing, Music, Skits and Quiz competitions are very common to be organizing in various top schools of Kolkata. All such type of activities excels students mind sharpness and clarity for the motive of life and their skills. Such type of activities also improves the dedication and patience capabilities of the students to make them efficient in all stages of their life.

The Infrastructures of these schools are truly students and visitors friendly. It includes Libraries, Science Labs and Computer Labs with Internet connection, Projector rooms, assembly and Seminar halls, Activity, Art and Music rooms. All the schools in Kolkata are secular in thoughts. They are educating their students about the chapters of national integrity and brotherhood as their main task. The schools in Kolkata are doing their commendable job in crating today's children into bright citizens of tomorrow's India.

Students who have been passed out from the schools in Kolkata are selecting among the best students for the scholarship and to study in abroad for various professional and higher educational courses. Many media newspapers are covering and including the coverage for those students who are not only making their career bright and sharp but also showing the schools efforts that have gave them the path to work hard in that particular field that suits their personality.

It means that the main task of such schools also lies to explore the over all hidden qualities of their students. This is off course a matter of great pride for the schools of Kolkata that their students are getting selection in world's recommended institutions for engineering and medical courses that is also on the scholarship behalf.

Kolkata students know it very well that hard work always pays you. The students who wants to pursue the higher studies in some reputed foreign institutes has to write a lot of testimonials and essays to cover or beat the competitions for selections process through the scholarships to move aboard for studies.
