Ducting Online is your number one resource for sublime ventilation ducting by [James Blee](#)

Article published on June 16th 2012 | [Business](#)

If you're looking for a reputable retailer of ventilation ducting and have so far been underwhelmed by the poor choice that you find online, let alone the lack of high street stores whom sell ventilation ducting, then you need only consider one name and that is Ducting Online.

Here at Ducting Online the name pretty much says it all. We are an independent business that specialises in the retail of ventilation ducting, and indeed associated products that are integral to the engineering and manufacturing industries.

As specialist in dust extraction, heating, ventilation and air conditioning ventilation ducting products we're sure to be able to match your specific ducting requirements with products that exemplify superior build quality and performance.

Here at Ducting Online our ventilation ducting products range from spiral ducting to flat channel ducting and even square system ventilation ducting. The diverse ventilation ducting products that we offer include twin bends for direction around those corners and a selection of forty five and ninety degree tees should the installation of your ducting require a drastic change in direction.

The clip in ventilation ducting that we offer is both simple and quick to install. The clip straight pipe that we offer is presently being offered at new and improved prices that start at just twelve pounds and fifty eight pence. These ventilation ducting pipes are manufactured using only the highest quality galvanised steel. The width of these pipes range from nought point five millimetres thick to one point two millimetres thick. The pipes themselves are lipped at both ends and are designed for an east fit and fast on-site installation.

If you'd like to find out any more information about our business, or to view the wealth of products that we can offer, from all manner of ducting solutions to PPE equipment, flexible hoses and second hand machinery, then simply come and visit us online at: [www.ducting-online.co.uk](http://www.ducting-online.co.uk).
