Internet Express was established in 1998 in South Africa and due to our forward thinking ethos we have become a premiere courier service throughout the world, our reputation spreads far and wide for a professional, reliable courier service provider in whom you can trust.

We service both the domestic and commercial sectors, we have many service contracts with the large blue-chip companies but just as importantly we have many domestic users who use our courier service as and when they need us. The service we provide is always of the same high quality, no matter how big or small the job is!

We are extremely proud of our reputation and one of the ways we uphold this is by constantly developing our systems and listening to our customers' feedback to ensure you are receiving a premiere courier service delivering the service and promises you deserve and have come to expect. Internet Express's courier service is flexible and tailor made to your individual specifications. Our same day express couriers work nationwide; one of our professional, highly trained courier staff will pick up your consignment from you and deliver it in a prompt and secure manner anywhere in South Africa. We also provide a fantastic international courier service delivering your important documents and goods anywhere in the world!

Call us, or log on to our user friendly website at [www.internetexpress.co.za](http://www.internetexpress.co.za) to see all the delivery options for yourself. When you have decided which solution is best for you, it can all be organised over the internet, you can then keep an eye on the progress of your consignment via our track and trace service.

Contact the professional, for a world wide professional courier service in whom you can trust.
