For the ultimate luxury of business jets with a reliable, precise service contact the market leaders at Airmayfair. by .

Article published on June 21st 2012 | [Business](#)

Travelling by private or If you want to travel in style and luxury then business jets is the absolute in luxury, whether it is for your own pleasure, a hospitality trip, incentives for hard working employees or a special occasion such as a wedding we believe there is no better in the service of air charter than Airmayfair.

Airmayfair is the air charter booking division of world renowned MFH Helicopters and with the backing of such a air travel giant along with our wealth of experience which spans over 21 years it is no surprise that we have gained a fantastic reputation as leaders in the air charter and business jets market.

We take our position very seriously, ensuring your trip is a safe and secure, and are very aware of the time restraints within this business so our logistical and organisational skills are first class. With attention to detail and an unrivalled commitment to complete customer satisfaction our aim is to ensure that every customer using our exclusive air charter service is 100% happy each and every time. Our staff are all highly trained professional individuals with a friendly, approachable manner and with a "can do" attitude.

As air charter brokers we have access to all available charter aircraft in Europe of which there are approximately 12000 to choose from. So whether it is a helicopter, private or business jets we will arrange the aircraft when and where you need it, and with our extensive contact list within the business we are able to negotiate the best deals.

Private air travel is our business, and it is in our business to be the best. Let us take care of all the logistics, leaving you to your business. We promise you a hassle free, luxurious and reliable service.
