Article published on June 13th 2012 | [Business](#)

Nowadays people are eager to know about the latest happenings and events of the nation. They are keen on educating themselves with current and latest news. In India especially after the terror attacks on Mumbai and other such couple of recent events, every citizen feels the need to be aware of the whereabouts of country.

In India news today has emerged as a super power and is responsible for influencing the masses to a great extent. This news is introduced to the viewers via various sources of media such as television, newspapers, online news websites, etc. These sources deliver the latest news India.

Television as we all know is the most famous and likeable source of delivering the latest news. A lot of people are glued to the idiot box round the clock for the latest news India. Television provides a variety of news channels in a wide range of languages thus making it convenient for the viewers to understand the news in a better way. India news includes news related to all the states of the nation. A person can get all the news updates about what is happening in Punjab, Delhi, Kerala, UP, Assam and other states by just changing channels in Maharashtra. And so is it vice versa.

All the news sources feature news as breaking news India so as to attract the eye of the viewers. The breaking news is always highlighted just like the news headlines which give a brief summary and scenario of the events and issues. It is of utmost importance for every citizen to keep himself posted with the breaking news India. If a person does not have time to watch television or read newspapers due to his hectic schedule, you can easily refer to online news updates. News on the internet is made available to you in a fraction of seconds and is updated in every couple of minutes. Online news is a very efficient and convenient and time saving method of getting news updates. This is the main reason why most of the people prefer to refer news which is online. Also there are various photos and videos made available online as proofs for authentication and verification of the issue.

Thus, it is the right of every Indian citizen to know what is happening in the country. India News helps in creating a basic general awareness and awakening among the people.
