The food and beverage franchise segment is amongst the largest section of the franchise industry in India and the world. With some huge names and brands out there such as McDonalds, Dominos and Pizza Hut you know what you are buying into and you know you are going to gain plenty of people through the door. Let's discuss about these great food franchises.

For over 45 years, McDonalds offered to people with business experience and will trade a business opportunity itself valid in any country. Today, approximately 80% of the more than 30,000 restaurants located in 119 countries are owned by independent franchisees, making McDonalds franchise amongst the largest franchise organization in the world.

McDonalds franchise profile is for professionals, preferably with experience in the field of marketing, human resources, procurement or commercial. You must be willing to personally lead an SME with a team of 50 employees or so. This franchise only accepts applications from single individuals.

McDonalds franchise comes with so many advantages that it is certainly worth considering for those who are able to meet the financial and other requirements. The investors can get a truly life-changing business opportunity from the McDonalds group. However, such great opportunities like McDonald never come cheap and never come easy. For many people, the capital outlay can be quite limiting. McDonald's actually prefers to deal with people who are financially sound and have the capacity to operate, sustain and manage the franchise properly.

Dominos Pizza, Inc. is a pizza delivery company located in Ann Arbor, Michigan, United States. The company was founded in 1990 and it is ranked as the second largest pizza chain in the United States. Currently, Dominos franchise has more than 9,000 corporate and franchised stores, which are located in more than 60 international markets. The company operates in all 50 states in the United States. Domino's Pizza was sold in 1998 and the company went public in 2004. The company menu mainly features pizza, pasta, over-baked sandwiches, wings, boneless chicken, salads, and others.

The McDonalds Franchise in India is also growing tremendously. Both the master franchises, Hard Castle and Connaught Plaza Restaurants have shown growth projections and have been expanding their restaurants ever since. While the company is not seeking individual franchises in India, they clearly operate through a master franchise build and operate model.

Dominos franchise has a proven track record of successful franchising. They have market domination in a strong market where 94% of the American population regularly consumes pizza and family trends support this franchise category. Domino's strongly support women, minorities and veterans with incentive programs and have strong community and charitable involvement.

Ranked number one in America's Top Global Franchises, Pizza Category, Chain of the Year, Megabrand and Top 50 Franchises for Minorities, Dominos franchise continues to show itself an industry leader.

The Dominos franchise in India took the world by storm when it went public in the Indian stock market. Their valuation was astounding and took it to almost at par with the franchisor's valuation.

When looking to start any business it is important, particularly considering today's market, that you look for specific ways to cut minimize or reduce overhead and risk. Any business is going to have

risk, but it is important to have a full understanding of the amount of investment, startup cost and return on investment.

Pizza Hut, Inc. is a leading American restaurant chain that offers different kinds of pizzas. The company was founded in 1958 by two brothers, Dan and Frank Carney, in Wichita, Kansas. With an initial capital of \$600, the company opened the first Pizza parlor in the region that has grown to the restaurant giant it is today. The company also sells side dishes like pasta, Buffalo wings, breadsticks, garlic bread, and many others. Pizza Hut is based in Addison, Texas but it is currently in the process of relocating to Legacy Office Park in Plano. It is a subsidiary of Yum! Brands, Inc., which is the largest world's restaurant company operating in more than 34,001 restaurant and delivery centers in more than 100 countries. Pizza Hut franchise has different restaurant formats. Pizza Hut Express and The Hut are the main locations for fast foods including pizza. These two offer limited menu products.

The Pizza Hut Franchise In India, began very early, when the pizza market in India was at a very nascent stage. They have defined the segment and have probably become the leader in the casual dining or restaurant format in India.

Using a Pizza Hut franchise to begin your first steps would really add a lot of value and sustainability to your endeavor and it is not as hard to do as you may consider. A Pizza Hut franchise can be developed to add the already remarkable value of the company to your business. Besides, other than the sheer brand value the mother company is set to guide you and make you as profitable as possible.
