Article published on August 24th 2012 | [Business](#)

Wedding day is the most important day in the life of any person. Every person on the threshold of marriage, especially a woman dreams of a fairytale wedding. In the earlier days, the wedding procession of brides and grooms arrived in luxurious horse-drawn carriages. As recent as a decade or a two back, the wedding party arrived in their family cars, with bride and groom leaving in a two-seater with the banner "œjust married"• on the car"™s back. Today, they arrive at the wedding venue in luxury cars; not any luxury car, but a limousine.

Limousines, as you know, are cars with a touch of luxury, royalty, elegance and glamour. No wedding is complete without hiring the one. Limousine hire services provide the best brands of cars, including Mercedes, Chryslers and Hummers of seating capacity of 6 to 16 persons, depending on the type of event and your budget.

You can find excellent wedding limousine hire services in almost all major towns and cities. While many options are available, those wanting to engage wedding car hire in Sunshine Coast commonly favour the white presidential 14-seater Chrysler stretch limo or white 16-seater Hummer stretch limo. These limousines come with a choice of amenities such as sumptuous interiors, J-shape seating in lavish leather, a bar, LCD/plasma TV, DVD/CD player, fibre optic lighting, and extra wide side access bridal door for easy entry and exit. Wedding packages also usually include, in addition to the limo or sedan of your choice, red carpet, courteous uniformed chauffeurs, wedding car ribbon, champagne, soft drinks and refreshments and perfume sprays.

Wedding limos guarantee a memorable marriage occasion that will be remembered by bride and groom as well as by the wedding party for a lasting period. One just needs to log on to the internet, browse the suitable sites and order the car. One can also find a choice of types and makes of sedans, limos and stretch limos. Depending on the service provider, wedding cars and limousines come with customised packages. Once you make the decision on wedding car hire Sunshine Coast, always discuss the package with the limousine hire providers. There may be different rates for different services so make sure to inquire what is included in the package and what comes as "œextras"•.

Regal wedding was once the privilege of the royals, rich and famous. Not so now. It is now possible to give a royal touch to your wedding by hiring a limo and making a style statement.
