Tariq and sons leading brand in Adhesive market of Pakistan by [Tariq And Sons](#)

Article published on December 23rd 2011 | [Business](#)

Are you one of those who are in search of some one who are either manufacturer or distributor of leading brands in glue and adhesive market in Pakistan, for those I would proudly recommend one name that is Tariq and sons as they are the leading manufacturer and distributor of Glue brands like Anmol, basket ball brand and the most famous brand in Pakistan among the adhesive market that is Elephant brand.

Although these are 3 different brands but they possess one or we can say two qualities in common, that is they are not only cheap but they are effective in their own field. I am saying their own field because as each one of them possess separate quality, which is the main reason of their effectiveness.

This is only the surface thing, but if we look at them in depth or in other words the reason why I am recommending Tariq and sons is that they haven't forget the tradition of their ancestors that is to provide a quality thing that if someone may use it for the first time for instance, that should lead to the usage of that product for the life time. And this is their key to success in my opinion as they don't compromise on quality.

This trait has enabled Tariq and sons to become the leading brand producer and distributor successfully from more than 4 decades. With this they are keeping in view the latest international standard this is why they are well renowned in the market. To add further they are striving hard and on their way of becoming benchmark for the adhesive market of Pakistan. The other good thing that segregates them from others is that they are using the imported material from Malaysia, china etc. this is other important milestone in the way of making the product at international standard.

There are variety of things or purposes for which these adhesive solutions by Tariq and sons is used at like in bonding different things like football, shoes and other products related to this. Therefore if you are in search of something that is reliable yet effective then you must go for Tariq and sons products cited above.
