

The private investigator professionals at Spy Investigations can assist you with a number of covert operations by <u>Julia Roger</u>

Article published on December 13th 2011 | Business

Do you suspect that your spouse of being unfaithful? Do you need to gather first-hand evidence for a criminal hearing and require a professional business to carry out covert research? If so then you need to hire one of Spy Investigations private investigator professionals.

Here at Spy Investigations we are highly-experienced gathering information for both individuals and businesses for a range of different purposes. If you suspect that you have a cheating spouse, though aren't one hundred percent convinced of their infidelity then what better way to achieve that much needed peace of mind then by hiring one of our private investigator professionals.

With the latest electronic equipment surveillance equipment and a crack team of highly-skilled and experienced professionals at our disposal, our private investigator professionals lead the way in covert investigations and get results.

The surveillance which our private investigator professionals carry out involves a number of different activities. We're perfectly adept at retrieving cell phone data from any personal mobile phones such as SMS and photographic evidence in any and all cases. The other private investigator activities that we carry also include discovering any hidden financial assets, providing room hard wire audio and visual surveillance and undertaking pre-employment screening for your business.

In addition to the covert private investigator services that we can facilitate, here at Spy Investigations we also have a wide selection of compatible cell phones which are fully fitted with the latest compatible spyware software. The Nokia 5230 R6 500 cell phones that we supply are ideal for covert monitoring. These cell phones can intercept and record all incoming or outgoing voicemails and have a GPS tracking device fully-fitted to the phone to provide you with the exact location of the phone at any one time.

So, if you suspect your spouse has been unfaithful and would like private investigator to find you a definitive answer, require any assistance with ongoing criminal investigations, or would like us to monitor the activities of any individual then simply come and visit: www.pretoriaprivateinvestigator.co.za.
