Weather Resistant Modern Outdoor Furniture: Ideal for Home Decor by [Julia Roger](#)

Article published on March 13th 2012 | [Business](#)

You probably love to spend time in your patio interacting with nature. However, your stint at the patio will be better if you are a bit selective in choosing the furniture for your patio. Generally, patio is left to the mercy of nature. Hence, it is very much certain that you must select furniture that is weather resistant. You have the option of dragging the furniture in and out to suit your needs. However, when you have modern outdoor furniture which is weather resistant why take all this trouble.

Once you are in the furniture store, looking for outdoor furniture you can have a look at furniture made from teak, eucalyptus, or even cedar. They are not only weather resistant but also great to look. Why only wood, you can also have a look at rattan furniture for your patio. However, you must make sure it is synthetic. Natural rattan reacts sharply to weather changes. It often expands and contracts, which finally makes it brittle. The affects of weather changes on synthetic rattan is negligible.

However, deep in your heart if you want your patio to look a bit different, you can even opt for wicker outdoor furniture. Outdoor furniture made from wicker is simply outstanding. The one thing, where you need to be careful is that you need to go for synthetic wicker furniture. The affects of weather changes are negligible. If you have come to buy furniture made from wicker you can have a look at the variety in design and shape. You will get furniture made of geometrical designs to ones which are found near swimming pools. You can look at the various designs before choosing one for your self. Shipping is done quickly and in most of the cases, it is free.
