Recently there have been a large number of new online printing companies enter into an already crowded Australian market. Many of these companies simply undercut competitors until the next cheapest comes along. No service, no support, and poor quality. We are going the other way – towards a better quality product, a higher level of support, and great service.

Print My Canvas offers a range of over 20 Classic Canvas Print sizes, professionally designed and crafted in-house to produce a print that will suit your wall perfectly. Order in an aspect ratio that suits your photo or image, whether it be a standard 3:2, 4:3 or perfectly square ratio. Starting from only \$64 for a 10" x 8" print, we offer highly competitive prices for a truly archival stretched canvas photo print.

Printing photos onto canvas is a great way to personally decorate your home, and capture and display a special moment for decades to come. Canvas artwork is affordable, light, easy-to-move and very long lasting. Print My Canvas are a new Brisbane canvas printing company and having opened their doors in September this year, the printing team have found many customers to be looking for a higher quality, guaranteed product.

Using the finest Epson printing technology, authentic Epson Ultrachrome water-based ink and unmatched colour calibration, a Print My Canvas canvas print is the quality of a professional giclee printing lab, without the price tag. You can also explore other printing options like a triptych, multi panel or panoramic print. If you are after a "wow" factor, the bigger the better.

The best bit about ordering canvas prints in Brisbane is that you will receive an instant online proof that will show you what your canvas print will look like. The printing technicians will never print anything that doesn't look fantastic, and that's why the company offers a 100% Money Back Guarantee if you're not completely satisfied. Whether you're in Brisbane or not, our canvas prints high quality and delivered Australia-wide.

To place an order, simply visit the Print My Canvas home page and click "Upload & Order", and you will see one of the best parts of Print My Canvas – our fantastic online ordering system. You begin by uploading your photo and from there you can choose your product type, size, artistic special effect, image retouching services needed and wrapping type. What is wrapping type? It is the kind of printing style that will be "stretched" over the wooden frame of your canvas print. You can either get it mirrored, bled or choose a solid colour – a simple white border looks striking on the right photo.

We offer free shipping Australia-wide on your order! No longer will you have to pay 10-15% extra on postage and handling – your shipping costs are included in the price you pay. No matter where you are in Australia, the canvas print will delivered to your door, free of charge. Try and find another canvas printer using top quality materials like Canson canvas that offers shipping to your door within 5 business days for free.
