Women's cocktail dresses range in looks from fun and flirty to sexy and sophisticated in 2012. It is a good idea to opt for an always popular red skirt or wear a bold, bright jewelry tone style for your next celebration. Generally speaking, the special short style is suitable for you to take part in the causal event. However, the skirts in emerald green, gold, silver and black which look fresh prints can be landed on the list of the best option for the formal occasion.

Nowadays, it is much easier to find your fitted one of your dreams with a huge selection of various styles. It can be as bold and bright or as subtle and simple as you want. All it depends on the occasion. It is suggested that you should choose a little black dress that always does the trick if you are unsure if your attire should be causal or formal. The versatile style is flattering, swing into prom 2012, sweet 16, wedding or any special event.

a line

Referring to A-line, it is regarded as the most versatile pattern that can flatter almost all body types. Of course, A-line cocktail dress also comes in a variety of styles and what you need do is to make sure it can show off your best features. Empire waist A-line is easy to become a favorite in any petite girl's closet while the skirt with natural waist line offers a good chance to highlight the slender waist line for girls with pear shaped figures.

Sheath

The special cutting hugs your body and it is specially designed to women with perfect curves. So, if you are proud of your figure, it is a good idea to choose one to highlight your beauty during the special occasion.

Princess

If you look forward to accenting your youthful side, there is no doubt baby doll is the best option. The design with flirty skirts is sure to make the whole skirt dramatic. It is quite popular among the teenagers. In addition, the colors are usually light such as white, pink, and baby blue and so on. Prom18 carries a number of beautiful baby doll short cocktail dresses which come in strapless sweetheart, one shoulder and halter neckline. The dramatic embellishments like bow, ruffles, feathers or sequins are added to the design, giving the whole skirt a touch of sparkle. Any one is easy to make you become the center of attention during the special event.

In a word, for your perfect look, on the one hand, you should opt for the fitted silhouette and flattering color, on the other hand, you should pay attention to your hairstyle, make up, shoes, jewelry as well as the bag. Your beauty is beyond of description when all is prepared.
