Clothes- from necessity to designer style by [Sudhanshusnv](#)

Article published on May 4th 2012 | [Clothing](#)

Clothes are an essential part of human life. We all need clothes to cover our body and to protect it from unwanted elements. Earlier clothes were the necessity, but now it has become more than necessity. With change in time and requirements, clothing style has changed tremendously. The fashion trend changes every day, style changes and ways of dressing changes, but need of clothes never changes.

Now-a-days, there are infinite brands available in clothes, leaving people with huge range of choices and to select according to the need. This wide range include from very cheap clothes to very expensive clothes. The one who can't buy very expensive clothes, settle down with less expensive clothes. It is like the more expensive clothes one go for, the better designs, quality and material one will get.

The designer range of clothing comes from the Hollywood and what our actor wear, no matter male or female. What actors wear, layman also wants to have the same in their closet. So in order to have such type of clothing range there are big stores opened up all over the world, where people can go, give a try and get what they like to have or say can dress up like their favorite actors.

But with increasing demand, pressure to meet people's requirement, these offline stores have started their range of designer fashion online too. One can easily find the same range or even wider range of trendy clothes online with ease of payment and exchange offer available. These online stores also provide all size of clothes which sometimes is not available in the stores, so one can shop them easily while sitting in any part of the world. Trendy clothes online are just a click away!!

There are so many brands both for men and women, for kids and for everyone. It's just not only women who want designer clothing in their closet, but it is everyone who wants to dress up in very catchy and attractive clothes. These designer clothes are available according to the styles of clothes, for instance for sporty clothes there is some other brand, for party wear clothes, there is some other brand, for formals you can find something else and so on. People have wide variety in everything to choose from.

If you are woman and reading this article, then here are some of the brands available for different moods like parker clothing brand for designer tops and to look sensuous and sizzling. Then another is for those who like to dress up in very casual manner or are college going teens, for them there is wild fox clothes and then last is nightcap clothes, for those who like to wear pants style clothes or anything very trendy.

Al over the world, fashion has its own meaning and own style, now with the help of online stores; you can easily get what you like!!
