Care Instructions

The following instructions are provided as a guide for commercial laundry washing and care, and when followed will maximize the life of the garment and team uniforms.

â€¢ Avoid storing wet garments as much as possible. This can cause mould and other fungal bacteria growth.

â€¢ If the garment is wet and soiled and cannot be washed immediately, then soak it in cold water and rinse well with warm water before washing.

â€¢ DO NOT USE BLEACH agents on the garments. This includes products containing chlorine, peroxide and perborate.

â€¢ The first wash is the most critical in relation to dye fastness. We recommend that the garment be washed before wearing. Garments should be washed separately to avoid cling from other garments.

Pre season games

When the weather is dry, grass burns on garments can be difficult to remove. These areas will need to be hand washed before proceeding with the recommended washing cycle.

Slightly soiled garment

â€¢ Use good quality detergent

â€¢ Use two warm wash cycles (40Â°C), followed by two hot wash cycles (50Â°C)

â€¢ Use three cold rinse cycles

Heavily soiled garments

â€¢ Soak the garments first, followed by two warm rinse cycles (40Â°C),

â€¢ Use good quality detergent

â€¢ Use two warm wash cycles (40Â°C), followed by a hot wash cycles (50-60Â°C)

â€¢ Use three cold rinse cycles

Nowadays, there are so many customers demanding garments in various styles, colors and latest trend but people should be careful about their designer clothes before washing it. Today digital printing has come with their creative designs like shadows, shining, vibrations, sparkling and different shades available in the market at low price. Several types of digital printing technology come for promoting such as DOD Ink jet Piezoelectric DOD ink jet, airbrush/valve jet, electrostatic (sublimation & resin and electro photography (Laser, LED) etc. this technology is increasing day by day and become famous in all over the world. mostly, people are eager to buy these types of clothes.

Lots of people prefer printed t-shirts in several designs, colors and shades, these t-shirts are available online at affordable price and it looks unique and quality of these t-shirt is very fine and comfortable.
