How important is your Landing Page to your online business? Very much. Brick Marketing, a respected online marketing solutions company with above 10 years of experience in the field of Search Engine Optimization, is pleased to declare a new, exciting category that is being added to their informative Search Engine Optimization Journal and the Brick Marketing blog network. This new category is all about Landing Page Optimization and how it can drive even more sales and visitors to your website.

Good landing pages can increase the conversion rates of any online business. Hence, it is important to know how it works. The Landing Page Optimization category is a huge addition to the Brick Marketing blog network. This will inform readers about the marketing tool aspects of landing pages, and how landing pages can work for them. One of the key things that the Landing Page Optimization category of the Best SEO Journal will cover is the makings of a good landing page. It will cover different topics about what makes a good landing page, such as:

- Keeping content simple but sufficiently sophisticated

- Working from a style sheet

- Including purchase buttons

- Image optimization

- Using sales-oriented material

However, the Landing Page Optimization category will not just discuss what makes a good landing page. It will also discuss other topics that can take your good landing page and make it into a spectacular one that draws in more clients and sells more products. Some of the topics that will also be discussed in the Landing Page Optimization category of the Google SEO Journal comprise:

- Photo optimization

- Using specific keyword phrases

- Making your landing page stand out

- Local search marketing

- Image optimization
