An Enjoyable and Memorable Experience with Tours to Malaysia by [Sonu Yadav](#)

Article published on April 6th 2012 | [Destinations](#)

Travelling with family and friends has always been the perfect way to get unwind, relax and rejuvenate and it is the best way to collect some memorable holidaying experiences that one can cherish in the lifetime. Well if you are planning for vacations and looking for an exotic holidaying destination where you can take your family and friends and spend some memorable time together then look no further than Malaysia, certainly a best place to visit in Southeast Asia. World famous for its glorious past, incredible natural attractions and friendly atmosphere, it is one such country whose significance and splendour is just beyond the words and visual delight.

With its stunning beach resorts, turquoise blue sea with thrilling water sports, exotic islands spotted with excellent hotels and resorts, bustling shopping malls, restaurants, and the great hospitality by its citizenry all makes this country popular and encourage them to visit there from different parts of the world, throughout the year. It is one such destination where there is no dearth of attractions and enjoyment any more as the year in this country is rings with several colourful fests and celebrations that makes their environment feisty and lively.

Home to breathtaking attractions and magnificent destinations, Malaysia is gifted with wide range of attractions that includes the high-tech city of Kuala Lumpur, tropical island of Langkawi, colonial hill resort of Genting and Cameron Highlands, innumerable stunning beaches and several exotic national parks. Bearing your vacations in mind we have strived to make Malaysia Tour Packages in such way which brings top notch attractions to the visitors and give them a memorable holidaying experience. Whatever are you looking for it absolutely knows how to make it possible in this country.

There are several attractions in this place or in other words Malaysia is full of attractions and destinations having their distinctive features but Tours to Malaysia would not be completed unless you do not visit Kuala Lumpur the most visited destination during tours to Malaysia. Truly a metropolis city, this globally city of Malaysia is gifted with colours of modernism along with rich heritage. This amazing city is located at the confluence of Sungai Gombak and Sungai Klang, that's why it got its name, which literally means "muddy confluence" in Malay language. Some of the attractions that everyone should explore during visiting there include Petronas towers, Menara KL Tower, Chinatown, Batu Caves, Central Market, Thean Hou Temple and etc.

Well if you wish to explore several stunning attractions while participating in several beach activities then must visit Malacca a quite seaside city located on the west coast of Peninsular Malaysia just about 147 km from Kuala Lumpur. It is a wonderful repository of its cultural heritage. With the centuries, the Chinese and local Malay cultures in Malacca intertwined, ultimately producing a completely unique society-a mixture of different cultures.

Apart from there are many other attractions of tourists interest named as Kelantan, Penang, Sarawak and etc. there are many other attractions of tourists interest and if you wish to explore all of them then choose any right tailor made Malaysia holiday packages and make your vacations a enjoyable and memorable experience.
