Article published on February 2nd 2012 | [Destinations](#)

To escape from the hectic schedule of life every one plans for vacations where a person can take his family and friends and spend some quality time together and there is no better way to unwind our self. Well if you are stressed down with your hectic life schedule or whether simply looking for an exotic holidaying destination where you can take your family and spend some quality time together then look no further than Egypt home to the world's old civilization. Globally renowned for its magnificent pyramids, monuments, museums, and the 5000 years back culture that are seen alive, it is undoubtedly one of the one of the most sought after tourist destination.

Every year from every part of the world people visits there in the hordes and come back with unforgettable and unending holidaying memories cherish throughout their life. Whatever are you looking for it perfectly knows how to make it possible in Egypt. Apart from its brilliant monuments and incredible pyramids, it is equally popular its natural attractions includes exotic desert, world's largest river Nile and the ranges of floras and faunas.

Besides there are so many things that gives a Egypt Tourism an international recognition and enhance its popularity such as its exotic resorts, mouth-watering food, incredible culture, glorious past and excellent hotels and hospitality. All these things can be well observed and experienced on your voyage to Egypt. It is one such country which has everything to every kind visitor. Though it is home to world's ancient civilization but apart from its temples, pyramids and monuments there are so many things that can be experienced during trip to this country. Some of the best things that can be experienced there include Red Sea Scuba Diving, Deserts Safaris, sightseeing tours, thrilling Nile cruise, shopping and many more.

Often referred as the gift of Nile, the river Nile cruise is an important part of any holiday packages considered one of the largest rivers in the world. No wonder that it is one of the major attractions in Egypt takes tourists through spectacular attractions and at the same time gives them opportunity to experience its glorious past. Go for Nile river cruise and explore the mysteries of the Pharaohs starting with the fascinating Thebes, the world's most renowned open-air museum, passing by the sunny southern Aswan or "Low Nubia" with its African spirit and bustling markets then ending by Lake Nasser hosting the extraordinary Abu Simbel temples and many more.

Egypt is bestowed with innumerable attractions and amazing destinations or in other words there are so many places to see in Egypt such as Luxor, Giza, Abu Simbel, Saqqara and many more. All the places having their distinctive features but if you wish to spend your vacations away from scorching summer then must head to Alexandria, a summer resort popular for its pristine beaches and impressive history founded by Alexander the great in April 331 BC.

A journey to Egypt would not be completed unless you do not explore pyramids in Egypt including Pyramids of Giza one of the greatest architectural feats by man encourage great number of tourists from every nook and corner of the world.
