Article published on December 10th 2011 | [Destinations](#)

World-renowned as “God’s Own Country”, Kerala is the frequently visited destination of India located at the south-western region of India. Located at south-western region of the country, Kerala is however popular for innumerable things such as the land of Ayurveda and it is also home to the rich spices but tourists who wish to spend their vacations in the lap of Mother-nature prefer to visit this state.

God has blessed Kerala with such amazing attractions whose significance can not be expressed in any human or verbal language. In other words it is one such state of India where one can find the abundant elements of nature which are in the form of hill stations, palm-fringed beaches, backwaters, exotic wildlife parks and many more. All these attractions make Kerala a most favored destination among nature-lovers, honeymoon-seekers, holiday-seekers or it is also fascinated great number of adventure-thrillers.

Due to the availability of ranges of floras and faunas, it is also considered an ideal place for wildlife photography. The significance and magnificence of this place is beyond any visual and verbal description. You can find more than hundred reasons that why one should choose Kerala as their holidaying destination. Among immeasurable attractions Kerala houseboats tour is very popular among visitors especially nature-lovers or honeymooners takes them in the world of water and wonders. Houseboat tour is conducted on the exclusive backwaters of the state which made up with the merge of brackish lagoons, lakes, inlets, rivers and many more. Without backwaters of the state no one can imagine for houseboat tours.

During houseboat and backwater tours of Kerala one will have an opportunity to explore the incredible attractions of nature which are in the form of palm and coconut groves, bird-sanctuary and ranges of floras and faunas. Apart from, tourists will have an opportunity to know about the lifestyle of Keralites. Houseboat cruise in Kerala is like that no one would experience before in their lifetime. Before the advent of roads and lacking of good transportation facilities, houseboats were used as the major source of transportation in Kerala but later, considering the huge influx of tourists; houseboats were modified with contemporary facilities and gives world class facilities to the visitors. The common features of houseboats include bath-attached rooms, lounge, deck, kitchenette and many more.

Considering taste and budget of different kind of visitors we have categorized houseboats into different parts such as deluxe, luxury, semi-luxury and etc. the journey of green paradise Kerala would not be completed unless you do not go for its backwater and houseboat tour. Houseboats Kerala takes their visitors in another beautiful world and gives them unforgettable and memorable holidaying experience. There are so many backwater destinations in Kerala where you can experience houseboat cruise named as Kumarakom, Alleppey, Kottayam, Kovalam, Cochin and many more.

Among many Alleppey or Alappuzha is most visited backwater destination by visitors well famous as “Venice of the East” one of the largest backwater destinations of Kerala. Apart from its heart-gripping backwaters it is also famous for national snake boat race which held here every year.
