Article published on January 11th 2012 | [Destinations](#)

Kerala is one of the most beautiful lands specially favored with nature. Peace and serenity of its heaven ambience is the remark of the state. Fully endowed with the heavenly ambience of natural beauty is the tempting site for every nature devotees and health enthusiasts. Kerala tourism has become globally famous for its mesmerizing exhilarating tourist entertainments and health care facilities render to every tourist amidst scintillating peaceful picturesque ambience of nature adoring the state. It is mostly base on ecotourism for which it is sought out to be one of the super brand tourist destinations of the world.

Among the attractions the backwaters is one of the most famous and well known exhilarating tour cruise found in the state. The backwaters are chains of canal like lake lying parallel to the Arabian Sea covering almost the whole area of the state with its vast ripple bordered by palm fringes. They are usually formed by waves and shore currents creating low barrier islands across the mouths of many rivers flowing down from the Western Ghats. This interconnected lake like bodies of water have become one of the best means for exploring the wonderful marvels of backwater and its surrounding attractions where civilization begins. There are numerous attractions lying in and around this backwater thus its cruise has been the fantasy of every fan of the state. Thus tourism in Kerala have made an effort to create Kerala backwater tours in the most unique and interesting way with the help of the houseboat cruise.

Houseboats Kerala is a kind of house boat called Kettuvallam in local dialogue which literally means bundle or package boat. It is an amazing boat with 60-70 feet in length and has a width of about 15 feet in the middle where you can find all the possible luxury accessible in it. It was once upon a time transport system use in the state when rail and road transport facilities were lacking. As the backwater connects like a network in every nook and corners of the state it serve to be one of the best means for transporting goods and people from one place to another within the waterways. Later these little transporting boats has been manipulated and transformed into little cozy grand houseboats for leisure tour experience.

Some of the top listed outstanding backwater sites where rolling houseboat cruise are facilitates for tourist marvels are the places like Kumarakom, Alleppey, Kasargod and Kochi are few mention but there are numerous sites where these backwaters connect and they become an important backwater attracted tourist sites. In order to learn about different backwater sites and its marvels try to see the backwater tour packages where you will find list of attractions mention along with its specialty. Every site of it possesses certain unique characteristic nature where you can experience certain new and unique feeling and thrill.

So, if you wish to relish the wonders and glory of this amazing backwater one targeted site is not enough to experience its glory. The best way to experience the overall beauty and marvels of it is to Customerize your tour packages and make an unforgettable tour trip.
