Singapore is an island country on the southern tip of the Malay Peninsula resting peacefully between the South China Sea and the Indian Ocean. The main island in Singapore is encircled by other smaller inlets. For this reason Singapore is also known as the "Garland of Islands", in total Singapore comprises of about sixty three islands connected together with the help of bridges and waterways. The population of Singapore is dominated by the Chinese, Thais, Indians, Malays, Filipinos and other ethnic groups peacefully co-existing with each other. The main source of income in Singapore is tourism and you will find diverse tourist attractions in and around the island of Singapore.

The first attraction of Singapore Tour Package is the Botanical Garden. Singapore is considered as a "garden city state" of the world. The Botanical Garden is of splendid beauty which has escaped the wrath of modernisation. The spacious garden mesmerizes visitors with its natural allure blended together with great landscape and savoir-faire gardening. The garden features a rare collection of plants, flowers, beautiful lakes, animals. The national Orchid Garden is part of the Singapore Botanical Garden, the collection of orchids and hybrids will blow your mind off. The garden is truly a photographer's paradise and hallmark of the Singapore city.

The Singapore Zoo commonly known by the name Mandai Zoo is a home of many wild species. The Mandai Zoo is the largest captive outlets of the orangutans in the world. The Zoo was established in 27th June in the year 1973. The total land area of the zoo is twenty eight hectares and the annual inflow of visitor is around 1.6 millions. There are about 2530 animals and 315 species present in the zoo today. Some of the fascinating wild species are white tigers, mandrill, spider monkey, tapirs, polar bear, flamingos, kangaroos and others.

The unique feature of the Singapore zoo is the Night Safari. Singapore Night Safari is the first nocturnal zoo in Asia. The Night safari is a part of the Singapore Zoo established in the year 1994. You can explore the Night safari through three distinctive trails- the Leopard Trails, Forest Giant Trails and the tram trail. The animals are displayed with the help of artificial light which acts as moonlight. It is very important to keep a safe distance from the wild species. There are hidden barriers, moats, and glass that help you to maintain the distance from the wild beasts.

Creatures of the Night Show are entertainment of half hour where the star animals, leaves you spell bound with their voracious and endurance skills. The Night Safari displays wild species from seven geographical regions of the World which are the Himalayan Foothills, Nepal River valley, Indian Subcontinent, Equatorial Africa, Indo- Malayan Region, Asian Savanna Forest and the Burmese Hills.

Singapore is a hub of adventure activities whether it is land, water or air. Some of the adrenal rushing adventure retreats are zorbing, luge and skyride, laser clay shooting, scuba diving, snorkelling, cable skiing and the flying trapeze. Thanks to Singapore tourism for maintaining and preserving the goodwill of Singapore. The citizens of Singapore are guided by a strict code of conduct; therefore the city is free from hassles. Visit the Clean Singapore and come back with a phenomenal experience.
