If you have the money and are ready to splurge, you are advised to head to Singapore, a charming country in south-east Asia. Even if you don't have enough to splurge, you can buy a Singapore tour package and save a lot of money. Singapore is a melting pot of alluring landscape, awe-inspiring attractions, towering buildings and a rich cosmopolitan culture. You are guaranteed a fabulous time in this part of the world.

One of the biggest attractions of Singapore is the Jurong Bird Park. It is the largest bird park in Asia and houses a number of interesting birds of various species. Make sure to visit this park during your trip. The Singapore Zoo is another spot you must check out during your trip. And in case you are a wildlife freak, you may even like to go for a night safari.

Singapore's most popular island is the Sentosa Island. It has some fabulously beautiful beaches where you can swim, bathe and even play games. Sentosa Island is also home to the famous Statute of Merlion which is a gigantic statue representing half fish and half lion.

Other popular Singapore attractions are the Buddha Tooth Relic Temple, Singapore Flyer, Botanic Gardens, Marina Bay Sands Sky Park and Universal Studios. Singapore tour package also allows you to take a sneak peek at the local culture and do some heart-filled shopping at places like Little India, China Town and Orchard Road.

Singapore's infrastructure is excellent, cuisines are many and delicious, people are hospitable and nightlife is vibrant. Where else can you find a better place to go for a holiday?

Trip to Goa: Goa, the beach capital of India, is another exciting tourist destination. If you love beaches, then there is no better place in India where you can head to. With its deluge of picturesque beaches, Goa definitely lives up to the billing and fulfills all your desires. Whether you wish to do snorkeling or scuba diving or wind surfing or parasailing, you can dig into every kind of sport here. Your trip to Goa will also take you to some of the most fascinating churches in the world. Se Cathedral and Basilica of Bom Jesus are must visit churches. Goa's nightlife is also quite good and the local delicacies are simply mouth-watering. Opportunities of sightseeing are plenty including trip to Bondla Wildlife Sanctuary and Dudhsagar Falls! Cruise-ride is an added attraction and you can also visit museums. Undoubtedly, your trip to Goa will be an intensely memorable affair.

Darjeeling holiday: If you are itching to go for a hillside destination, then you are advised to go for a Darjeeling tour. The Queen of the Hills, Darjeeling is a scenic paradise with its rich flora and fauna and the captivating Kanchenjunga. From horse-riding in Mall Road to taking pictures of the panda at Darjeeling Zoo, there is plenty of fun in store for you in this part of the world.

Some of the major attractions you must check out during your Darjeeling tour are Tiger Hill, Mall Road, Lloyd Botanical Gardens, Senchal Lake, Ghoom (including toy train ride) and The Observatory Hill. There are plenty of more attractions which you will find out only when you visit. So, without adieu, pack your bags and head to this charming hill station.
