Singapore tour package: Welcome to the land of adventure and sightseeing by [Aanchal Gupta](#)

Article published on May 15th 2012 | [Destinations](#)

Singapore tour package lures tourists from every part of the world and in large numbers year after year. It is in Singapore that you can come across some exciting wildlife destinations, amazing shopping locales and the world's best beaches. Whether you are on a vacation with family or you have come on a honeymoon trip, Singapore package won't disappoint you. Be it the numerous sightseeing spots or the mouth-watering food or the exotic beaches or the rich culture- Singapore has something for everyone.

**Best beaches in the world:** Singapore has some of the best beaches in the world. Being an island-country, Singapore is replete with beaches. Head to Sentosa Island to come face to face with some of the most pristine and wonderful beaches you have set your foot on. The beaches are extremely picturesque and offer solace to the tourists. If you love the sand & the sea, Sentosa Island is the perfect getaway for you. From water sports to beautiful sunsets- you will surely be left amazed and hungry for more.

**Great shopping destinations:** Singapore is a paradise for shopaholics. If you love shopping, then why not head to this amazing country that has some of the biggest and most popular shopping locales in the world! Orchard Road, Little India and China Town are some exquisite shopping destinations. They are not just great sites to shop at but also offer a sneak peek into a beautiful cosmopolitan culture. People of varying ethnicities live together in harmony. Under Singapore tour package, you can shop till you drop! These shopping destinations also have a flurry of good restaurants. The great thing about Singapore is that you get to taste a number of cuisines- all extremely delicious and palatable.

**Adventure:** If you are an adventure freak, then Singapore package has lots to offer to you. The beaches come with lots of adventure games like surfing, water skiing, snorkeling, scuba diving and parasailing. You will have the time of your life in these beaches. Then there are wildlife trips especially the thrilling night safari. Jurong Bird Park is one of the biggest Singapore attractions. It is visited by thousands of tourists every year. Also check out the Singapore Zoo where you can share breakfast with the trained orangutans.

**Where to stay:** There are some excellent Singapore hotels where you can find accommodation. Depending on your budget, you can easily find a hotel of deluxe or budget range. Also, you can buy a Singapore tour package to book Singapore hotels in advance to avoid last-minute anxiety.

**Chief Singapore attractions:** Under the Singapore package, you must check out the following attractions:

• Jurong Bird Park

• Singapore Zoo

• Orchard Road

• Little India

• China Town

â€¢ Singapore Flyer

â€¢ Night Safari

â€¢ Botanic Gardens

â€¢ Buddha Tooth Relic Temple

â€¢ Universal Studios

â€¢ Raffles Hotel

â€¢ Marina Bay Sands Sky Park

â€¢ Sentosa Island

When to visit: Singapore can be visited throughout the year though the best time to visit the country is during July.
