Time out on Zante Island by [Balvir Goshain](#)

Article published on January 17th 2012 | [Destinations](#)

The island of Zakynthos, or Zante, may be the third largest of the Ionian Islands and is often a well-liked destination with budget holidaymakers. Renowned for its beauty and tourist-friendly locals, Zakynthos is blessed with a sunny climate for most from the year, with temperatures reaching 40 degrees Celsius during the summer months. The months of May, June and September are probably the most comfortable months to go, as the temperature is hot but not extreme, and flight operators are recognizing this by offering a host of cheap holidays.

This beautiful island has a host of beaches for holidaymakers who just would like to soak up the sun and laze from the calm, crystal-clear waters. Zakynthos is also a beneficial holiday place in terms of each support and accommodation and offers higher standards of foods than the majority of budget destinations. The local cheeses and cold meats inside mountain villages are not to be missed and visitors routinely take in household as many bottles of the region's medium dry wines as they can. It was also the Venetians that introduced olive trees to the Ionian Islands.

Religion is never far away on Zakynthos and the island's monasteries should truly be on your list of places to visit during your stay. Having around the island is easy as taxis are easy to discover and cheaper than the following within the UK. However, as with all foreign destinations, you need to ask how a lot the journey will price previous to setting out. For people holidaymakers who prefer to arrive out to play at night, Laganas provides a number of entertainment that continues well to the after day, whilst it's a very good idea to catch content hour just before 11:00pm, as the drinks can sometimes be very pricey. The clubs don't charge for entry however, so nights out will nevertheless be well inside your budget.

Zakynthos is an ideal destination for some pre-summer sun and, with numerous cheap flights, hotel deals and package holidays to become snapped up, there is no excuse for not checking your diary and booking yourself a get-away break on this Greek holiday island. For individuals holidaymakers who prefer to arrive out to play at night, Laganas provides a amount of entertainment that continues well to the after day, whilst it's a good concept to catch happy hour before 11:00pm, as the drinks can sometimes be very pricey. The clubs don't charge for access however, so nights out will nonetheless be well in your budget.
