Turn Fantasy into Reality with Lakshadweep Honeymoon Tour

The demand for Andaman and Nicobar tour package is immense. But after tsunami, the choice of people has shifted from Andamans to Lakshadweep honeymoon which is a great way to start your married life, especially for those who are in love with nature and would like to spend their days and nights sitting in front of sea under the blue sky.

Lakshadweep islands are indeed a great choice when it comes to planning romantic trips is considered. It is far beyond the crowded mainland and you would hardly see any kind of urban bustle here. This paradise will offer you lots of places to visit other than the soft murmur of sea at the beaches, coconut trees, silvery sand and beautiful sunsets. This heavenly place is the ultimate choice of honeymoon couples after Andaman and Nicobar tour package. Listed below are the places you should visit during your Lakshadweep honeymoon.

The most preferred destination in Lakshadweep is the coral island which has lots of options for water sports. There are five islands that are open here for the tourists out of 36 islands. There is one island which is exclusively reserved for foreign tourists. You can visit Kalpeni for its coral life, Kadmat for the fine beaches and Minicoy for having the largest lagoon.

Kavaratti is the capital of Lakshadweep and offers a lot in terms of lagoons and aerodrome. Agatti is the place where you will find maximum lagoons. Outdoor options are in enormous at the Bangaram Island which is very famous with foreign tourists as well as those who are on Lakshadweep honeymoon. You can do scuba diving, deep sea fishing, kayaking, diving and snorkeling like things here.

You will come across a variety of fishes while a trip to Lakshadweep. It's a treat to watch flocks of birds flying over the ocean. You can visit the sea museum and the poultry and dairy farms. Urja Mosque situated in Kavaratti is another place to visit while on Lakshadweep honeymoon.

Taking back a souvenir from Lakshadweep honeymoon is a good idea. There are local handicrafts that can be bought here. These handicrafts are made of sea shells and corals found in plenty here. You would surely love to taste local food made from coconut and drink plenty of coconut water, for which Lakshadweep is very famous.

Lakshadweep honeymoon will surely turn your fantasies into reality with such peaceful environment with the only sound of roaring waves or the rustling of coconut and palm trees.
