In California, it has been noticed that the rate of road accidents have tremendously increased in recent years. In order to prevent the public from these kinds of accidents, the road transport department of CA has made this a strict rule that each of the drivers must possess driving license with them. So, the department made it essential for all the drivers to go through the permit test to avail the driving license and legal eligibility to drive a vehicle in the state.

What is Permit Test?

In order to get driving license in California, it is essential to pass the permit test. This test checks the driving skills of driver and also ensures that the individual is aware of the road signals and other traffic related terms. Total 45 numbers of questions are asked in the test under the head choose the correct one. 38 of all the questions must be correct in order to pass the test. On the successful completion of the test candidates are rewarded with driving license.

What is eligibility to take test?

The candidates are required to meet with the following standard in order to appear in the test:

â€¢ Age of the candidate must be atleast 18 years

â€¢ Should be moral in character

â€¢ Must know to drive vehicle

What is California Practice Permit Test?

Practice permit test is pre exam taken by various websites free of cost or may charge some money. The format of the practice permit test is similar to that of actual test. This kind of test helps the applicants of permit test to have an overview of the original exam. It is consisted of multiple choice questions that are based on traffic rules and regulations. After going through such tests, an individual can increase its driving knowledge and skills. The practice tests are very helpful in preparing the applicant for the original permit test. Also practice tests are considered among one of the best ways to prepare for the permit exam.

How can you prepare for Permit Test?

There are several ways via which an individual can prepare for practice test; some among those are as follows:

â€¢ The candidate can learn about traffic rule through test guide

â€¢ There are various driving schools also that offer practical and theoretical training to the students

â€¢ Can go though various websites that offer free permit test questions
