The city of Jaipur is the largest city and the capital of Rajasthan, best known as the Pink city of India. The city is amalgamation of traditional and modern values and culture. In the past few decades the city has shown a tremendous progress in its educational front. As per the 2011 census the average literacy rate of the city is 76.44% and the male and female literacy rate counts to 87.27% and 64.63% respectively. The changing and developing phase of the city has made it home of a total of eight universities with more than two hundred schools under its administration which are affiliated with CBSE (Central Board of Secondary Education), and ICSE (Indian Certificate of Secondary Education) board.

One can easily find and enroll for a good reputable school in Jaipur as the city of Jaipur has a lot of pre schools, nursery schools, secondary and higher secondary schools which have their school chains all over the country and also hold an esteemed position among other prestigious schools of the country.

World class infrastructure and well ventilated and spacious classes are some of its best known facilities catered to the children coming here for studies. In addition to this dedicated, experienced, and learned teachers and faculty members give their precious time and knowledge to create the gems out of these young untrained talents. The students coming to these schools learn to hone their existing skills and make the best out of their existing talent. The schools have specially created different activity rooms and different sports related playground for all round development of the kids.
