Angry Birds Rio is the Best Source of Entertainment for the Gamers by [Dhody David](#)

Article published on January 4th 2012 | [Entertainment](#)

Today, there are many game options for the mobile users but certainly Angry Birds Rio is the best entertainment source for the game lovers. The reason is that this game is featured with exciting levels and interesting game-play. The theme of it is quite attractive for the players. Including these, there are some their factors which make this game the best one.

First of all, angry birds Rio game can be played by everyone with ease. Whether you are a pro of gaming field or a beginner this game will be suited to you. Therefore, the people who are new to gaming field give it more preference than other game. Its fan following is rising with the passage of day. If you want to take an estimate of its demand in Android market and iTunes stores then do nothing but to check the user's reviews and rating.

Ready Access is another factor due to which this game has become more valuable for the gamers. You are able to access this game not only from your Android phone but also from Windows and Apple smart phones. If you are using a feature phone then surely you can't play this game on it. So in this case you just need to get help from your personal computer or laptop so that you can make an account of Facebook. A Facebook account will let you to take an entry into Rio's world.

Every next level of Angry Birds Rio is more entertaining and interesting than previous one. You surely have to do some mind exercises for successfully crossing a level. However, there is no boring and complicated puzzle in it so you will never feel any world-weariness. Attractive theme of Angry Birds Rio is inspired by the famous movie Rio so you feel really great when you will play the game. A blue background looks more promising with colorful birds, cages and wood structures.

The story line of Rio is different from the original game as heroes have to free two stars of the game named Blu and Jewel. The most challenging part of this game is the monkey fight or boss fight. It is somewhat difficult for the birds to shatter the monkeys but at the same time it is more enjoyable than birds-pigs usual fight. You may miss the green pigs in this game as these are replaced with monkeys. This replacement adds some more charm and uniqueness into this version as compared to other versions. If you didn't try this game before then I suggest you to give it a try, you will become an addict of it, believe me.
