Article published on December 1st 2011 | [Entertainment](#)

So here we are again finding the best of online games or checking up the latest arrivals or news of it. Searching online makes easy of course to get a better game .if you are focused and know what you are searching then its fine. You may just hit on the write clicks to be added in the search entry .but if you are looking something fresh and new then mind it you need to do good home work and explore a lot especially when you own your own play station (which is I think is not so cheap to own) and got your money invested in it to get thrilled and fun filled experience of new games.

When you go for top games search you will find that there are many more games .every time you will find the list changed and you are tempted to get the new one. But again nothing comes free so before you make decision to buy new additions for the sake of updating your PlayStation library you should clearly find some good reviews on it with legit gaming sites. With especially a game to download mass effect 3 game which has already kept up your expectations after the success of its last version.

Must have already affected you in mass of course with action pack gaming of its last versions, Mass Effect 3 key was one of the most awaited games of the year, the delay of this game for the first trimester of 2012 is easy to understand why it was a bit of a bad news for gamers. As the action of the game will take place in an open and diversified environment and more importantly, it is the last of the Mass Effect trilogy it has already developed lot of expectation around it.

Bringing back all of the surviving characters the Digital download Mass Effect 3 will limit on the number of playable ones. This time not only with mercenary groups, the Commander Shepherd and his team would also deal with the highly trained and deadly Cerberus operatives. This time shepherd will be fighting them instead of working for Cerberus. The combat will be much more expanded with customized weapons.

With its digital download mass effect 3 now is available at a pre order service online with direct2play and what more it is at quite cut down on price compared to other sites expected release date is 6th march 2012.
