The Best Eye Sunglasses for Paris Hilton by [Nicolette Aquilina](#)

Article published on December 28th 2011 | [Fashion](#)

We see Paris Hilton as the charming and dashing socialite. Her high cheek bones, golden blonde hair, and slim figure make her the envy of many. But she's not just blessed with great natural looks. She also has a stunning sense of style. Everywhere she goes, people can't get enough of her and the clothes that she wears. She's a fan of luxury brands like Chanel and adores the brand as well for bags, shoes, and other accessories. Another Paris Hilton signature is the pair of huge eye sunglasses that she wears everywhere she goes. Many say that the hotel heiress loves sunnies with huge frames because they help conceal her identity but aside from that, she also uses it to her style advantage. Paris surely knows how to use these fashionable sunglasses to complement her outfit. Here are some of Paris's most favorite eye sunglasses brands.

Dita Opus eye sunglasses. Paris was seen wearing a pair of sunglasses that featured an elegant white swirl. The swirl created a sexy and very stylish appeal which made the heiress's overall look even more stunning. Of course, it also features huge lenses which shield her away from the glitz of paparazzi cameras.

Super eye sunglasses. Miss Hilton shows that she's still a child at heart. The pair of sunglasses from Super comes with a combination of candy-pastel colors. They come in classic Wayfarers style making them the perfect option for day-to-day wear. The Super sunglasses can be paired with a range of outfits. You can wear it with jeans or with a dress – just like Paris.

Chanel eye sunglasses. Paris Hilton adores Chanel. She does not only love Chanel clothes but also classic Chanel sunnies. The best thing about Chanel eye pieces is that they offer a classic appeal which is what makes them a flexible accessory. They don't only last through time, they can also be worn to different occasions. Paris particularly love Chanel sunnies that feature leather weaves. It's chic and fierce at the same time.

Prada eye sunglasses. Another classic eyepiece that Paris loves to wear is Prada. It reminds us of Audrey Hepburn in "Breakfast at Tiffany's". It's best worn with a little black dress but it can be matched with different styles of dresses. The hotel heiress loves Prada sunnies that feature huge frames, particularly butterfly frames.

Marc Jacobs eye sunglasses. Marc Jacobs sunnies are a huge hit among Tinseltown celebrities these days. We've seen Paris several times wearing the Jackie O Marc Jacobs.

Want to chanel Paris Hilton? It's so easy. Check out her favorite eye sunglasses brands and find out what it feels like to be a hotel heiress and one of today's most stylish ladies!
