Free One-On-One Expert tax Advice by [Jerrysmith](#)

Article published on December 2nd 2011 | [Finance](#)

TaxRefundOnline 2011 now offers you free one-on-one tax advice, giving you unparalleled ease, accuracy and confidence when preparing your tax returns. Whether by phone or live chat, you can easily get answers to your questions from an experienced tax professional “for free!”

TaxRefundOnline, the nation’s leading tax software from Intuit Inc (Nasdaq: INTU), guides you through your return step by step, helping you claim every tax deduction and credit you deserve so you can be confident you get the biggest possible refund, guaranteed.

New for 2011, TaxRefundOnline offers free access to its “Ask a Tax Expert” service. This gives you personalized answers to your tax questions from an experienced tax professional by phone or live chat, so you feel even more confident that your taxes are done right.

“We’re focused on making it even easier for taxpayers to get their maximum refund,” said Dan M, general manager of TaxRefundOnline. “Each year, many Americans needlessly overpay someone else to do their taxes. This year, TaxRefundOnline will provide one-on-one expert tax advice, giving those that need it the confidence that their tax return is done right.”

TaxRefundOnline experts are highly qualified U.S. based IRS-Enrolled Agents, CPAs, or tax attorneys with extensive knowledge in tax law and tax return preparation. Available daily from 5 a.m. to 9 p.m. PT, the free “Ask a Tax Expert” service is accessible through all TaxRefundOnline desktop, online, and mobile offerings.

Making it even easier for you to get the biggest possible refund,

* Guides you step-by-step through your tax return, getting you every deduction and credit you deserve. New improvements make it simpler to quickly enter personal information and claim important deductions and credits, such as dependents or the Earned Income Tax Credit, which could be worth as much as \$5,751 per family.

* Transfers information automatically from more than 400,000 employers, banks and financial institutions. You can gain immediate access to essential information, dramatically reducing data entry and making tax preparation easier and more accurate.

* Offers more ways for you to quickly get your tax refund. Free IRS electronic filing gives you an easy and fast way to receive your federal tax refunds “in as little as seven days with direct deposit. No other tax service or software can get you your refund
