Now feel yourself financially strong with 1 year loan by [Sam Thomas](#)

Article published on December 13th 2011 | [Finance](#)

At some stage of life every individual will face some monetary problems and it's a least chance to avoid it. Whether it may be your credit card bill, or car installments, everything demands money and if your salary is low, it is not possible to pay these bills within time. So those who are looking to get rid from these kinds of problems, 1 Year Loans are the suitable financial answer for them. With the best suitable manner, this advance will be obtained by anyone easily.

Secured and unsecured are the two format in which anyone can obtain this 1 year loan. When someone opt the secured format individual can be obtain this for the year of three to twenty five years and able to borrow the amount starting from Â£5000 to Â£100000. This loan is allowing applicant to borrow the cash for the long term because to obtain the loan borrower need to pledge security against the amount. So this format will be convenient and easier for you if you have security to pledge. Whereas when borrower looking to opt for unsecured format the term period of the loan amount will be reduced to six months to ten years and borrower will able to apply for the amount only Â£1000 to Â£25000. But that will be sufficient to fill the short need of the borrower. Unsecured format of the 12 month loan doesn't demand for any type of security and other formality for the loan amount and even bad credit scorer can take the advantage of the loan.

So, it doesn't matter and doesn't need to worry much to obtain 1 year loans, if you have poor credit. You can even apply for this loan easily if you are UK citizen and above eighteen years of age. Despite of this applicant should working in some reputed firm and having a checking account. So, don't need to be getting tense much for the cash if you are working and earning good salary. Thus, with this financial support anyone can ease their stressful life and enjoy the life peacefully. One has got to offer some details on an appliance form and with the help of the online methodology this task is become much easier for you. So, with the easy documentation and fastest technology, instant approval is granted and lenders will send the loan to the borrower within the quickest time.
