Article published on February 10th 2012 | [Fitness](#)

As a travel nurse you are a highly sought after professional and welcome in any medical establishment in the USA. There is no limit to your professionalism and your specialization can be in a number of areas. These areas are as diverse as Telemetry and PACU, OR and Surgery Open Heart. You may have specialised in Psychiatry, Post Partum or PICU, Pediatrics or Oncology Pediatrics. Your specialty maybe NICU, Long Term Care, Emergency, Dialysis or Endoscopy, Labor & Delivery and Cardiac Catheter Laboratory, Ambulatory or Physical Therapy.

Each of these subjects would have taken years of training and hard work. It is on account of these reasons that the medical profession appreciates your true worth and there are agencies for finding suitable placements for travel nurses. Each of these agencies knows that there are serious shortages in nursing appointments all over the country. It's because of the urgency in the need to fill these vacancies for travel nurses that has boosted the number of such agencies.

The best of traveling nurse agencies have excellent working relationship with thousands of medical institutions such as hospitals throughout the country. On account of this relationship the agencies come to know of vacancies for travel nurses as well as their subjects of specialisation.

The agencies are therefore able to align the qualifications of travel nurses available with them with the vacancies that need to be filled up. There is also powerful credentialing software that is used to place traveling nurses and other professionals in these vacancies since the Joint Commission JCAHO requires that such records must be kept updated. This facility is offered to travel nurses at no extra cost to them.

The best agencies for travel nursing jobs are those that maintain a passion for serving their clients and treat them with respect. They must have a sense of urgency for delivering results and a system that ensures a perfect selection process. Ultimately, your offers must guarantee you the best of remuneration and benefits that include housing, transportation, medical, dental and insurance including malpractice. Your application must be held in confidence and your emoluments must be deposited by check directly. The better agencies will also share with you quality-of-life resources such as cost of living and recommendations pertaining to lodging.
