Kundalini Yoga with a Modern Twist by [Roland Lindberg](#)

Article published on December 21st 2011 | [Fitness](#)

Kundalini yoga is a very powerful discipline that may produce fast results for those practicing its meditations and yoga sets. Today, one of the most beloved and well-respected teachers, Maya Fiennes, provides an extensive collection of instructional DVDs and music CDs that place a bit of a modern spin on this ancient form of yoga. Just learning a little of the background of this Macedonian-born teacher makes many people wish they could know her even better.

Anyone looking to learn more about Kundalini yoga will definitely benefit from the upbeat personality and inspirational approach that Maya Fiennes lends to this style of yoga. Based upon the initial teaching of Yogi Bhajan, Maya puts a fun and modern twist on Kundalini yoga that resonates well with today's fast-paced life.

In addition to exceptional instruction, she is also a very gifted musician. She writes, records, and arranges the majority of music alone, as well as with her husband, Magnus Fiennes. One of her most popular releases is, "Mood Mantras." This beautiful music is widely known and it's a fact that you might even hear a song or two at a trendy yoga studio.

It is refreshing to find a member of this community that has found such a nice balance between what the modern world demands and the beneficial, traditional beliefs and practices of ancient Kundalini yoga. Maya Fiennes makes the introduction and study of this style of yoga fun and empowering. Her upbeat series of videos appeals to those practicing at a variety of skill levels. Maya's, "Journey through the Chakras," 7-DVD set takes its viewers through a detailed journey through the chakras and all within the comfort of their home. This is a great way for a beginner to explore the practice of Kundalini yoga without a large investment.

Just about anyone in the market that's looking for Maya Fiennes DVDs or books will appreciate the vast selection that's offered by Yoga Technology. This innovative Web site features a full collection for a very reasonable price. In fact, Yoga Technology is widely known for its extremely reasonable prices and wide range of products.
