Restaurants often specialize in certain types of food or present a certain unique, and often entertaining, theme. By visiting these restaurants and viewing restaurant reviews chennai, food lovers can get to taste various types of gastronomical delights and also get to know about the food habits of the people of various regions. Some of the well known types of restaurants in are:

### Fast Food Restaurant

Fast food is the most popular restaurant to most people. Fast food service attracts customers for its speed and convenience.

### Vegetarian restaurants

If one wishes to have a taste of mouth watering vegetarian dishes, there are thousands of best restaurants in chennai. In most of these restaurants, the main constituent that is used for frying is ghee. The staple vegetarian food is served in the form of "thali" or a combined dish. In most cases, a vegetable thali is made of rice or roti, dal, some types of curry, vegetable dishes and curd. To add to the taste, pickle with oil and salad is also served.

### French Restaurants

The French restaurants offer variety of foods from France, even while one is based in India. They not only provide delicious food, they also provide a look and feel of the regional atmosphere of France which helps the customer to easily relate to the various types of cuisines of the country.

### Mughlai Restaurants

Mughlai dishes are very popular all over India. Unlike other types of Indian food, Mughlai dishes are generally non vegetarian and are made with chicken, mutton, beef or lamb. Due to high proportion of oil, spice and ghee the dishes are usually very tasty. Dry fruits are also major ingredients that are used in the Mughlai dishes. You can find various types of dry fruits like almonds, nuts, dry dates, saffron and so on in all types of Mughlai dishes. Some of the most famous Mughlai delicacies are Biryani, Keema Matar, Seekh Kabab, Shahi Chicken Korma, Shahi Rogan Josh, Shahjehani Murg Masala, Shami Kabab, Meat Durbari, Murg Noorjehani, and Shahi Kaju Aloo and so on.

### Chinese Restaurants

Chinese food is very famous among Indians and this has led to the growth of many Chinese restaurants in India. In fact some Chinese dishes like chows, and meat balls are very popular snacks in chennai. These Chinese restaurants attract customers with their wonderfully decorated interior of Chinese motifs and artifacts. Apart from chows, noodles and fried rice, other popular dishes that are served in the Chinese restaurants consist of Crispy Soft Shell Crab, Dry Duck, Mayonnaise Sauce, Pan-fried Prawns other mouth watering preparations.

### Italian Restaurants

Everyone loves a tasty Italian meal and most Italian restaurants serve a wide variety of different pasta dishes, consisting of household favorites such as Spaghetti Bolognese.

## American Restaurants

American Restaurants are great as they tend to serve variety of meals originating from many different cultures such as Pizza Hut and TGI Fridays are just two of the many fantastic options out there.
