How to Simplify the Process: Creating Meal Plans for Weight Loss by [Jennifer Pearl](#)

Article published on March 16th 2012 | [Food](#)

Losing weight all comes down to this simple rule: Consume fewer calories than your body burns. It's much easier to stick to daily caloric goals if you've created a meal plan for yourself that includes healthy, well-balanced, low-calorie foods. This is where MealEasy comes in. MealEasy provides health-conscious individuals with customizable meal plans for weight loss and nearly 2,000 easy-to-follow healthy recipes. By taking the guesswork out of creating an effective eating plan for weight loss, achieving a healthy lifestyle for the whole family becomes easy and fun.

Personalized Meal Plans for Weight Loss

The MealEasy online meal planner can be easily tailored to your health goals and food preferences. Do you prefer French or Mexican cuisine? Is someone in the family allergic to nuts? Do you have diabetes? Are you allergic to gluten? With a few clicks of the mouse, you can generate a nutritious eating plan for weight loss that the whole family will enjoy. To make meal planning a more fun activity, you can even invite family members to choose meals with you.

Easy Healthy Meals

All of MealEasy's meals were designed by master chefs, but you don't need advanced culinary skills to prepare them yourself. The meals were intentionally created to be quick and easy to prepare. Each includes simple instructions and takes no more than 45 minutes of combined preparation and cooking time. The meals are not only delicious, but healthy – providing you with the essential nutrients your body needs.

Creating Variety

Several studies have shown that creating an eating plan for weight loss is effective in keeping the whole family in good shape. One of the best ways to make sure you stick with your plan over time is to ensure variety in the meals prepared. MealEasy has created a collection of mouth-watering and healthy meals so you can easily build in plenty of variety into your meal plans for weight loss. You can be adventurous and try unfamiliar recipes or stick to your tried and true favorites. No matter what your choice, taking advantage of MealEasy's easy-to-prepare recipes is an effective path to healthy eating.

Creating an eating plan for weight loss means planning ahead, so you're better prepared with healthy meals that fall within your caloric budget. By taking advantage of MealEasy's recipes, nutritional information, and automated grocery list, you will find that creating meal plans for weight loss is a snap. Coming up with a meal schedule is as simple as clicking the mouse, but the benefits are many – including having more time to spend with your family, having nutritious and tasty meals, and creating more organization in your kitchen. You may also find yourself eating out less often, which means more money saved and healthier meals.
